

Master of Science: Information Management for Executives 2017-2018 Advising Check Sheet

The 30-credit MS-IM Executive Track curriculum can be determined in collaboration with the Program Director and/or a faculty advisor, and includes a 9-credit primary core requirement across two core areas, a 9-credit secondary core requirement across three core areas, 9 credits of electives, and a 3-credit exit requirement. With advisor approval, students may substitute advanced courses for primary and secondary core courses. The program is available to part-time and distance students and can be completed at the student's own pace through evening, short courses, and online course delivery.

Primary Core: 9 Credits

Students can choose 9 credits in one track, or a mix of both. *Courses other than those listed below may apply to the Primary Core. A formal Petition is required for students who want to count a course towards the MS-IM program that is not listed in the advising check sheet. Please email iAdvising@syr.edu to learn more about the Petition process.*
